Please note there

available for the
Ed Sheeran concert

I have downloaded my tickets via the Ticketek App. Tickets will be made available 48 hours prior to the concert.

Patrons with tickets for sections A, B or C will need to collect a wristband from the marquees outside the MCG before entering the stadium.

I have a small bag, my Sunflower lanyard and a drink bottle and I'm ready to go to the concert

I will check my ticket for the correct gate to enter and then join the queue. Ed Sheeran is very popular so there will be a lot of excited and noisy people waiting to get inside the stadium.

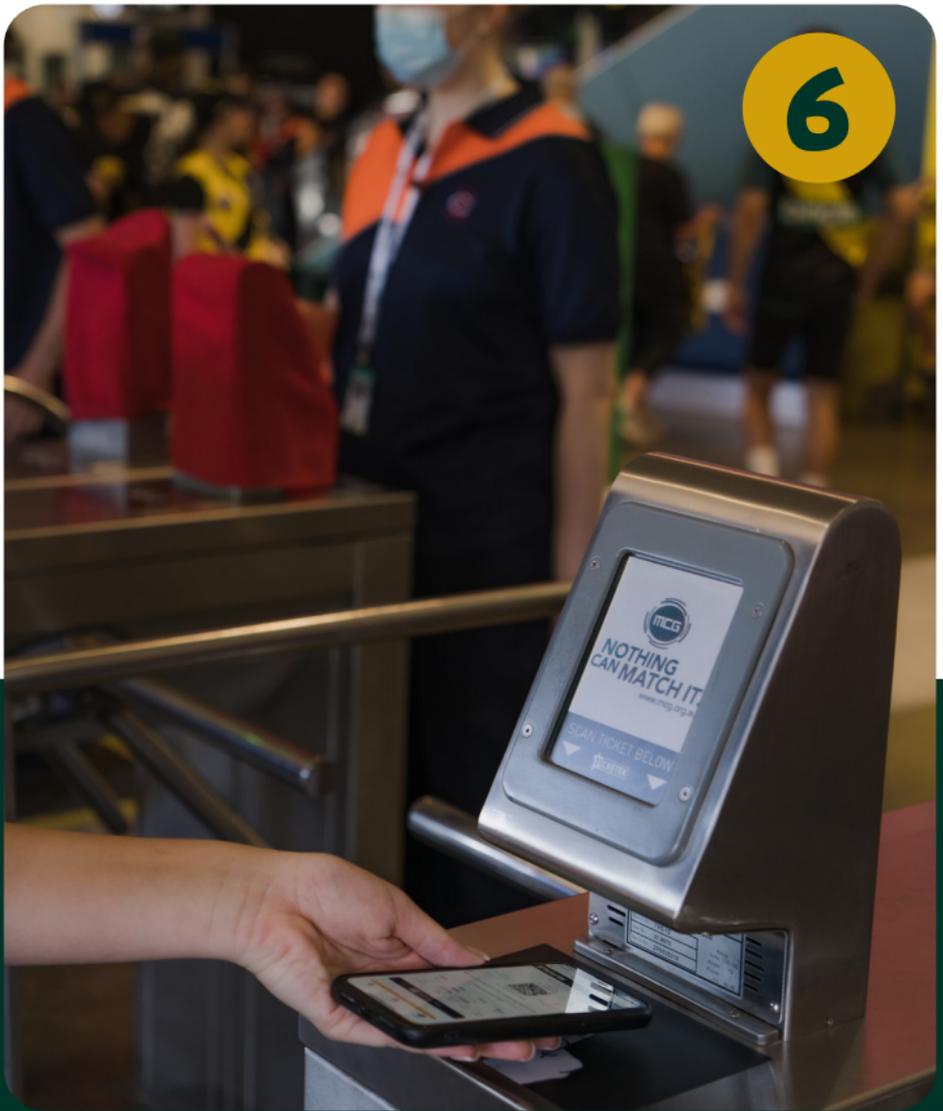

Security guards will check my bag before I enter. They check everyone's bag for safety reasons.

5

The security guards will also scan me with their wand. They may ask me to turn around and lift my arms.

6

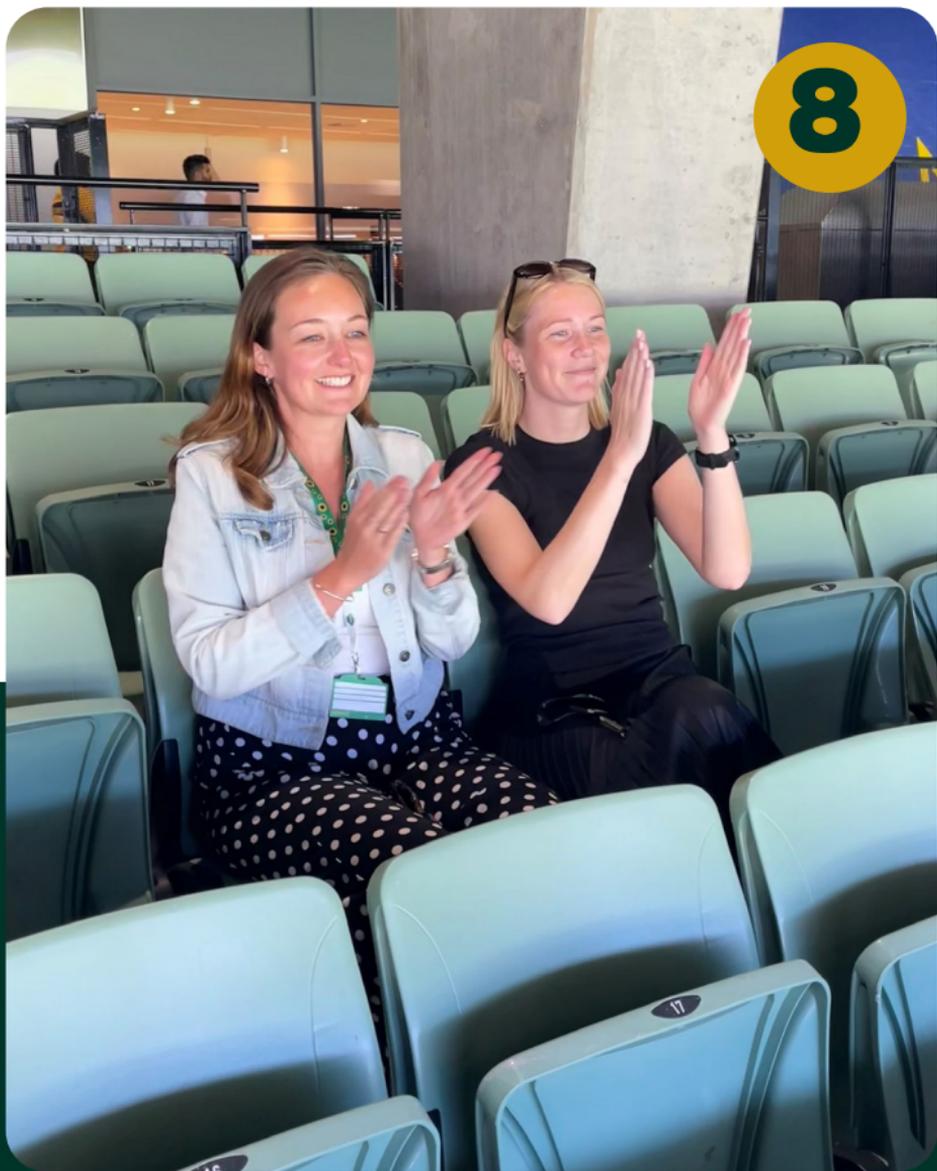

I will open my ticket and scan the barcode to enter through the turnstiles.

7

If I need help or assistance I can always ask the MCG staff, they wear orange, blue or green.

8

I will watch the concert from my allocated seat.

The crowd will make a lot of noise when they first see Ed Sheeran. Ed will also play his music very loudly and there will be flashing lights and fireworks.

10

If I need a break I can visit the sensory friendly space. The space is located in the Australian Sports Museum at Gate 3 on level 1

The Sensory Friendly Space can only hold 30 people at any one time. Once full, a 20 minute time limit will apply per person. All persons must be over the age of 18 or accompanied by an adult.

I can buy food and drink inside the MCG using my bank card.
